Green, Brooks Nominees of Republicans

Slattery and Hershey Win on Democratic Ticket

Dwight Green received the Republican nomination for governor of Illinois and C. Wayland Brooks that for senator in a near-record Republican vote that was expected to reach the million mark when all returns were in, although it would not eclipse the all time record of 1,077,295 in 1936.

A Democratic vote totaling roughly around 978,000 forecasts a close struggle between the two parties in the final election.

Green was given 400,651 and Richard J. Lyons 283,386 in unofficial returns from the 6,045 precincts. In 63 precincts Brooks led Congressman Ralph E. Church by a vote of 390,293 to 271,783.

G. A. Paddock Church Successor?
George A. Paddock won the Republican nomination for Church's successor for congressman of the Tenth district, over Drennan J. Slater.

On the Democratic ticket, Slattery won the nomination for U. S. Senator and Harry B. Hershey for governor of Illinois, over Lieut. Gov. John Stelle and Benjamin S. Adamowski.

Other winners are listed elsewhere in this issue of the News.

School Elections Set For Saturday

To Elect Two Board Members at High School; Three at Grade School

A light vote is expected at the Antioch Grade school this Saturday afternoon when a president and two board members are to be elected to fill the vacancies occurring this year. Candidate for president is Robert J. Wilton, present board member, who is a candidate to succeed Joseph Horton. Candidates for the two member vacancies are Mrs. Helen Patrovsky and Roy E. Burdick. Retiring from the board this year are Mr. Horton, last year's president, and Mrs. C. L. Kutil, whose term also expires. Holdover members on the seven-member board are Elmer Brinkman, Arthur Hawkins, Mrs. Ida Kufalk and Mrs. Myrtle Klass.

The polls will be open from 1 to 6 p. m.

The three candidates this year are without opposition. The president is elected to serve for one year and board members serve for three years.

Contest at High School

Lively voting is expected at the high school where three candidates will contest for the two vacancies occurring on the high school board of education. The polls will be open from 12 noon to 5 o'clock this Saturday afternoon.

Organization of high school boards differs from that of grade school boards, as candidates are elected as board members only, and the members then elect their own president and secretary at the "organization" meeting held after the election. Five members comprise the board, two members being elected on two successive years, and one member every third year.

Candidates whose names appear on the ballot to be voted on at the forthcoming election Saturday are: Helen (Mrs. Lester) Osmond, Arthur Mapletorpe, and Mrs. Jean Ferris.

Mrs. Osmond was formerly a board member, having been first elected in April, 1931, to complete the unexpired term of her husband, Lester Osmond, who had resigned after serving one year. She was re-elected for full three-year terms in 1933 and again in 1936. Soon after her election she was made secretary of the board, which position she held until last April.

Arthur Mapletorpe is completing his first term as board member and his first year as president, having been chosen to head the board last April after President George White had been defeated at the polls.

President Mapletorpe is ill and has been confined to his home since Sunday. While he has been unable to meet his friends personally or to do any "campaigning," he told the News today that he is interested in his reelection and in the welfare of the school.

Mrs. Ferris has served for three terms. She was first elected in April 1931, without having had her name on the ballot. A "write-in" campaign resulted in her receiving 476 votes. She has been board secretary during the past year.

To Consider Marshal Applications Tuesday

About half a dozen applications for the office of Antioch village marshal to succeed the late Peter Petersen have been received. Village Clerk Roy Murrie announces. They, and others that may be received in the meantime, will be considered at a meeting of the village board Tuesday evening, April 16, at 7:30 p. m. Applicants must be between the ages of 30 and 50 years, and physically fit.

Fred Peterson, street department supervisor, has been carrying on the marshal's duties in addition to his own in the meantime, but will not be an applicant for the marshal job, preferring to remain in his own department.

Major May, U.S.A., Speaks at Masonic "Special Night"

More than 100 were present at the "Special Masonic Night" dinner for members of Sequoit lodge and their wives or lady friends Monday evening in the Masonic temple.

Major Arthur J. May of the U. S. army was the speaker following the 6:30 o'clock banquet. The major, who has made 37 trans-oceanic trips in the interests of the United States government, spoke interestingly on the subject, "Is the United States Vulnerable?"

Mr. and Mrs. Solomon La Plant, who held their golden wedding anniversary celebration Sunday, were honored by the lodge at this meeting and were presented a floor lamp.

A special table was reserved for past masters of the lodge and another special table for officers.

Cards were served afterward. Major May's wife was arranged through Fred Peterson, who is a personal friend of the major's. E. Williams, worshipful master of Sequoit lodge, presided at the dinner.

Census Taker Courteously Received, Says Goodell

Courtesy has been the rule in the receptions he has received while taking the census count of population in the village of Antioch during the past few days, Glenn Goodell reveals.

"People in general have been very helpful," Goodell states. He has practically completed the work in the eastern portion of the village and is starting on the western portion, he says.

Poor Expenses Exceed Township Road Expenditure

Cost \$9992.32; for Past
Year; Roads Require
\$7,225.34 Total

Antioch township's poor fund was by a considerable margin its largest expenditure during the fiscal year ending March 26, according to Supervisor B. F. Naber's annual report, published in this issue.

Its total expenditures amounted to \$9,992.32. It had its income from the \$317.09 on hand at the beginning of the year, to which were added taxes from the county treasurer and an anticipation warrant and refund totalling \$10,935.38. The present balance on hand amounts to \$943.06.

The township road and bridge department spent \$7225.34, taken from the total receipts from the year of \$9226.12, indicated as derived from taxes, and a balance of \$1,264.97 at the start of the fiscal year. At the close of the year, a balance of \$943.06 remained on hand.

General Costs, \$4,422.94
From the general town fund \$4,422.94 were paid out for general and miscellaneous expenses, including election costs, salaries of town officers, auditing and other expenses. Receipts for the year amounted to \$6385.10, which included \$3042 on hand at the beginning of the fiscal year, and \$3,343.10 in taxes from the county treasurer's office. A balance of \$1,264.97 remained on hand.

The publication of the supervisor's statement at the end of the fiscal year is required by law. Legal authorities have pointed out that supervisors (or any other officer who handles public funds) are liable to fines in the event that they do not publish their statements, whether or not a newspaper exists in the township. In the event there is none, they are required by law to publish the statement in the nearest newspaper.

Table "Iron Lung" Demonstrations Monday

Demonstrations of one of the iron lungs recently purchased for Lake county by popular subscription will be given at the Antioch High School Monday afternoon at 3 o'clock, and in the evening at 8 o'clock, in the gymnasium. The evening demonstration will be open to the public.

Unexpected Drama Attends Firemen's Wrestling Show

But Big Alarm Fails to Turb Wrestlers at Annual Benefit

The dramatic aspects of the situation that confronted Antioch firemen when one of the biggest fires here in years and one of the biggest benefit events the firemen have ever staged coincided Friday evening seem to have appealed to the fancy of metropolitan reporters.

Wrote Elgar Brown of one Chicago paper:

"Wrestlers Jim McMillen and Gus Sonnenberg were already in the ring and glaring at each other. The hall was packed and the great benefit match about to start.

"Volunteer members of the Antioch Fire Department, including Wrestler McMillen, were happy about the whole thing. There was ample money in the till.

"The bell rang. Sonnenberg and McMillen went for each other. Then McMillen drew up short, bewildered. It wasn't the ringside bell. It was the fire bell.

"Firemen saw their duty and began to leave the hall. Word was passed around that the big plant of the Antioch Milling Company was aflame. McMillen started to join his comrades. Then he stopped again. He reasoned:

"What—quit this match and give back all that dough in the box office? Never. We gotta have those uniforms."

"Savagely he turned and leaped upon adversary Sonnenberg. The crowd, torn by conflicting emotions, gasped at the ferocity of McMillen's attack. Reluctantly they gave up the spectacle of a big fire, and settled down to watch the match.

"... Knowing full well where his duty lay, Fireman McMillen turned on the heat and pinned the Sonnenberg shoulders to the mat in just 18 minutes, a near record for these long-time foes.

"Then he galloped over and helped his mates, put out the blaze.

"Sonnenberg, when he's partially recovered from the mauling, observed: "I never found Jim quite so tough before."

More than 600 spectators attended the show, staged in the Antioch High School gymnasium.

Featured in the double wind-up were McMillen and Sonnenberg, and Ruffy Silverstein versus Gorilla Grubmeier. Ruffy, undefeated champion of Illinois, used a double reverse arm lock to pin Grubmeier to the mat after a wild match that lasted a little less than half an hour.

Ole Olsen and a colored wrestler Seeley Samara battled to a draw in 30 minutes.

Murphy-Pachay Draw
The bout that almost brought down the house, however, was the much touted encounter between "Bill" Murphy and Carl Pachay, both of Antioch. The husky Pachay succeeded in hurling Murphy from the ring, but the agile and adept Murphy evened scores by giving Pachay a fall or two on his own account.

The referee, big Lou Gordon, former all-American football star and a wrestler in his own right, won the approval of the audience when he called the match even at the end of 10 minutes and elevated an arm of each in token of a draw.

Boxing Outcome
In the boxing demonstrations by champions of Antioch, Grant and McHenry high schools, George Sterbenz of Antioch and John Chouske of Grant sparred to a draw in the heavy-weight division; James Ropenack, Antioch, won over George Jackson of McHenry; Robert Sturgeon, Antioch, defeated Emil Hospodar of McHenry; Robert Boetcher of Ingleside was awarded a decision over Don Bauer of Antioch Grade school.

Executive Board for Rescue Squad Formed

A temporary executive board to handle business affairs of the Antioch Rescue squad was formed at a meeting Thursday evening.

George B. Bartlett as village president will act as chairman; L. D. Powles, captain of the rescue squad, as secretary, and James Stearns, chief of the fire department and chairman of the rescue squad fund campaign, as treasurer.

The rescue squad is sponsored by the fire department, under the auspices of the village council.

Mrs. Verta L. Beebe, who spent the winter at Long Beach, Calif., has returned to Round Lake. She is the daughter of Mr. and Mrs. Simon Chouske.

Collection of 1939 Taxes is Begun Here

Tax books for the collection of 1939 taxes were released this week to the elected Antioch town tax collector, John L. Horan. Horan is now busy preparing statements to be mailed to the various property owners calling their attention to the annual tax assessment, which is being billed for 1939.

Tax Collector Horan will maintain office hours co-inciding with local banking hours, from 9 a. m. to 4 p. m. On Monday, Tuesday and Wednesday mornings till noon, he will maintain office hours at the Antioch State bank, and on Thursday, Friday and Saturday at the First National Bank.

Horan states that everything possible will be done to arrange for the convenience of the "paying public" in settling tax accounts. He also announces that he will be glad to answer all questions that may be raised in connection with the paying of taxes.

Hall Is Winner for State's Atty.

Taylor Re-Nomination for Coroner Continues 40- Year Record

Receiving more votes than his two opponents combined, Harry Hall, popular young attorney of Waukegan, romped to an easy victory in Tuesday's primary election for the Republican nomination for state's attorney of Lake county. Hall's victory was the surprise of the primary election. Many old timers, wise in the ways of politics, had predicted the state's attorney race would be close, and none found who would venture a "he winner."

... but as yet unofficial returns from only three precincts, 8,575, and McGaughey, 4,486, Mason Hall will oppose Attorney Charles Noll, the Democratic party nominee, in the November 5 election.

Dr. Taylor Easy Winner
Winning the race for the Republican nomination for Lake county coroner as easily as Hall won the state's attorney's contest, was Dr. J. L. Taylor, nominated over his two opponents for the office he has held for 40 years. Nearly complete returns give Dr. Taylor 13,030 in 87 of the 95 precincts to 6,735 for Dr. John E. Walter of Waukegan, and 4,936 for Charles Kruger of Prairie View.

Paddock Easy Winner
State Senator Ray Paddock, as predicted by the News, had little trouble defeating his three opponents in the eighth district. His nearest opponent was Richard B. Martin, with Albert E. Nordstrom and Verne Corley as "also rans."

As predicted in the Antioch News last week, state representative Nick Keller was swept into office for his third term by a large majority, and Harold D. Kelsey was also re-elected. C. Russell Allen and Willis Overholser finished next, in the order named.

The figures (unofficial, but believed close to the final totals), placed them as follows:

Candidate Lake McHen. Boone Total
Keller 22,559 2,752 3,225 28,536
Kelsey 15,912 4,454 2,579 22,945
Allen 3,068 15,772 1,177 20,017
Overholser 12,917 1,283 14,200

Note—The Lake county figures show returns on 90 of 95 precincts, while those of Boone and McHenry counties are complete.

Friedle Challenges Legality of CCC Votes

The legality of 56 votes cast by CCC youths in Antioch Precinct 3 is being challenged by Albert Friedle, who was a candidate for re-election as Republican precinct committeeman. Friedle was defeated by Arthur Gardiner by a margin of nine votes.

Milling Co. "Carries On" Despite Fire

Damages of \$25,000 Sustained; Will Re-build, Says Hoppe

"Business as usual" was the motto at the Antioch Milling company this week as Manager George Wagner and his assistants "carried on" despite the inconveniences caused by \$25,000 fire damage Friday night to the rear of the building and machinery and grain there. The loss was partly covered by insurance.

The damages to the building and equipment are being repaired temporarily as rapidly as possible, according to W. C. Hoppe, president of the company. Temporary protection for machinery is already being arranged, surveys of the damages and estimates for rebuilding are being made, and grain and seed supplies are being stored in undamaged portions of the building.

"The worst of it is, it happened right in our busiest month," Wagner commented yesterday as he supervised emergency repairs.

Seed valued at between \$3,000 and \$4,000, and a load of feed was saved. Grain stored in bins and sacks of feed, to a value equal to that saved, were damaged by fire and water.

The interior of the entire rear part of the building, from the basement up into the tower, was burned out, with only portions of the heavier beams and partitions remaining. These were deeply charred.

The exterior walls were saved by the Antioch fire department, and the assisting Lake Villa, Fox Lake and Ingleside, and Libertyville companies. They were badly charred and weakened and reckoned as a total loss.

Started at Switch-box
The fire is believed to have started at an electric switch-box in the basement and to have spread through the entire building from the back part.

Building began, it was discovered at 10 p. m. Friday and the alarm was turned in.

Equipment from the fire station, which is less than half a block from the mill, was quickly brought to bear on the blaze, volunteer firemen having made a speedy trip up Main street from the high school, where they were sponsoring a wrestling show.

Keep the Dollars Rolling

By this time, the old rumor that a banker's greatest pleasure in life is to refuse a loan, should have been thoroughly exploded.

Perhaps never before were banks so eager to make sound loans, and to put the money for which they are trustees, to productive use. The typical commercial bank of today advertises constantly for business—issues leaflets and other literature—and does everything possible to attract and serve the legitimate borrower.

Figures back up that statement. During the first half of last year, more than 14,000 loans were made during every banking hour by 41 per cent of the nation's commercial banks covered in a survey. The 6,000 banks reporting made close to 6,000,000 new loans totaling more than \$10,000,000,000—renewed over 5,500,000 old loans totaling almost \$7,700,000,000, and issued over 127,000 mortgage loans totaling \$412,000,000. This amounted to the incredible sum of \$18,000,000,000—all in a six-months period.

It is obvious that the banks cannot loan to the insolvent business, or to the prospective borrower with a bad credit and character record. But no man who is entitled to a loan, under the terms of state and Federal law, need worry about getting the money he needs for any sound purpose. It's ready and waiting.

The point is that today banks are not only willing

to make loans—they are eager to do so. And the record proves it.

A Bad Start

That king of destroyers, fire, is one the rampage again.

During the first two months of this year, according to the National Board of Fire Underwriters, direct fire loss was about \$14,000,000 higher than in the same period in 1939. If that ratio should obtain for the balance of the year, the increase would be close to \$90,000,000, bringing the total loss to around the \$400,000,000 level. And remember—the indirect loss caused by fire is estimated at three or more times the direct loss. Lost jobs, orders, business of all kinds, are just as serious as burned buildings. Most serious by far is fire's toll of human life, running to 10,000 in an average year.

What causes fires? A few are caused by incendiaries, though their toll has been much reduced in late years due to unremitting efforts of prosecuting authorities and fire prevention groups. A few are unavoidable. And the balance, which includes the great majority of all fires, are caused by the average man—people like yourself. They are the tragic fruits of human carelessness, human ignorance, human indifference. They represent sheer and inexcusable waste of lives and resources.

Fire prevention isn't the other fellow's job. It's your job—your neighbor's job—everybody's job. The seeds of fire undoubtedly exist in your home and your place of business, waiting for the spark that will spell disaster. We can stamp out fire—but we can do that only if all of us cooperate in fighting it.

Next time you read of a home burning, reflect that it might have been your home. Next time you hear of someone meeting a horrible death from fire, think that you or a member of your family may be on fire's future list of victims. Then ask yourself this question: Is fire prevention worth while?

"Community Party" Is Expected to Be "Fun for All"

Pleasant memories are retained of last year's big "Community Party" by all 600 of those who "barged out the walls" of Antioch High school at the affair, when hopes had been high that at least 400 would come—and an additional 200 or so more than realized those hopes.

This year the Antioch Recreation association is again sponsoring an enjoyable, informal evening of fun, on Saturday evening, April 26, the proceeds to go to summer recreation activities for the children of the community.

Cards, dancing, refreshments, a floor show and other incidental entertainment are being planned. There will again be both modern and old-time dancing, on two different floors, so that dancers may have their choice of the kind they prefer.

As was the case last year, various organizations are co-operating in staging the affair. The 4-H girls will have charge of checking; the card party will be under the charge of the Eastern Star; the St. Peter's Altar and Rosary society is being asked to supervise the serving of refreshments, and the assistance of various other groups is being sought to make the affair a success.

As was the case with last year's party, the affair is being opened to people of other communities as well as Antioch, and a cordial invitation is being extended to all.

Boy Scout Troop 91 Has Investiture Service

Boy Scout Troop No. 91, with headquarters at the Antioch Methodist church, held its investiture last Monday evening at a candlelight service. Twelve boys were given the Tenderfoot rank in scouting at this time. Former Boy Scouts took part in the service.

William Johnson, Todd Mapletorpe and Bud Mapletorpe lit the candles representing the three parts of the Scout oath. The other 12 scouts each lit a candle representing one of the Scout laws. A large candle symbolizing the spirit of scouting was used to light the smaller ones.

A number of parents were present at the service. John J. Dahms of Libertyville, who is district Scout executive, and R. H. Childers acted as advisers. Edwin Kapsa is scoutmaster.

Boys who passed their Tenderfoot tests include Robert Austin, Wesley Reeves, Sonny Klass, Glenn Childers, Dudley Ward, LeRoy Ellis, Robert Ellis, Ralph Trieger, Don Heath, Presley Bratrude, Leonard Roblin, Howard Nevitt.

The troop holds its meetings Monday evenings from 7 to 9 o'clock.

Business is Good, Thanks—so you'll get plenty for your old car and more in your new one at your Buick dealer's

Above is the Buick SPECIAL 4-door touring sedan \$996*

WE'RE talking here to those thousands who have not yet achieved their lifetime ambition to own a Buick.

We want to show you how the Buick SPECIAL pictured here swings wide the door on a golden opportunity.

Step into this sleek sweetheart. Your treadle foot touches off a trigger-quick Dynaflex straight-eight engine with a brand-new smoothness born of micro-poised-balancing after assembly.

You've got the same easy, finger-flick shifting as in the most costly Buick. And the same recoil-mounted Knee-Action soaking up bumps before they reach your hand on the steering wheel.

You've got the same stout BuCoil Springs as every other Buick, and they'll never need lubrication.

Look out through the easy-vision Safety Plate Glass in every window. Check up on the equipment: Two-Way Direction Signal with automatic cut-off, built-in automatic choke, oil-filter, high-capacity water pump—they're all there.

And, when you count in the included equipment, the SPECIAL costs no more than some sixes with lower advertised prices. So look into this brilliant beauty and "step up" to the car you've always wanted.

You can take a trial drive any time just by asking your Buick dealer.

Prices begin at \$895

for Business Coupe—Sedan prices start at \$955—

HOSEA TELLS OF GOD'S FORGIVING LOVE

LESSON TEXT—Hosea 6:1-7; 14:4-9.
GOLDEN TEXT—If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.—1 John 1:9.

God loves sinners! This is the message of the Bible. God hates sin, but He loves sinners and is eager that they should repent and receive His forgiveness. God even loves the backslider, the one who has been in fellowship with Him, tasted the joys of the eternal promised land and then turned back to the fleshpots of the world. This is the special message of the book of Hosea, for he deals with a backslider and rebellious Israel, so determined to turn against God's love that they are described in 11:7 (R. V.) as being "bent on backsliding." Israel failed to heed God's warning, did not respond to His loving call, and went on to judgment. May none of us be so foolish and stubborn. God is now calling sinners in love and compassion, doing everything in His power to lead them to repentance and spiritual healing. "Today, if ye will hear his voice, harden not your hearts" (Ps. 95:7, 8).

I. God Calling Sinners (6:1, 2).
The great loving heart of God longs after wayward men. Though they have in deliberate unbelief turned from Him, yet He sends His messenger to bring them His gracious invitation. No more beautiful word can be spoken than "Come." It speaks of an open door, of a forgiving spirit, of a desire for renewed fellowship.

Come, O sinner, and meet the Saviour. He it is who by both life and death has revealed the fullness of God's love to you. In Him you will find entrance into eternal life and joy. He says, "I am the way by which if any man enter in he shall be saved" (John 10:9).

Observe also the word "return." The invitation from God is not only to those who have never known Him, but also to the backslider. How many miserably unhappy backslidden Christians there are in the world! Friend, if you are one of them, this invitation is especially for you.

II. God's Dealings With Sinners (6:3-7).

Our Lord is both compassionate and faithful in His dealings with sinners. He will win them with love and tenderness if they permit Him to do so, but if necessary He can also use the rod of punishment or the storm of unpleasant circumstances to drive them to Him. Remember that both the tenderness and the severity of God are expressions of His love.

With Israel God wanted to come as the gentle, reviving rain from heaven (v. 3), but because of their unrepentant attitude (v. 4) He had to come forth as One who hews down and destroys (v. 5). Even in this breaking down and destroying He is only preparing to rebuild. As the surgeon must first hurt in order to heal, God must sometimes cut deeply in order to remove the blight of sin.

These lines will probably be read by many who have wondered at the dealings of God with them. Perhaps they have been inclined to condemn Him as being unkind or severe. Let them be assured that God is love and that back of all of His dealings with men there is His tender purpose to bring them unto Himself for salvation or for blessing.

III. God Healing Sinners (14:4-9).

When sinners come to Him with words of repentance (14:1) God is ready to meet them and to heal all of their sins and backslidings. Observe that not only will He heal their past sins, but will cause their present position to be such that He may "love them freely" (v. 4), and then their future will be one of great glory. God is infinitely gracious and pours out His love without measure upon the sinner who returns to Him.

Verses 5 to 8 give a beautiful picture of God's blessings on the life of the regenerated man. The lily (v. 5) speaks of stately royal beauty. Lebanon (v. 5) is strength and stability, even as the great cedars of Lebanon were treasured for their strength. The spreading branch (v. 6) tell of expansion and growth. The olive tree (v. 6), the corn and the vine (v. 7), all speak of fruitfulness and usefulness. The smell of Lebanon (v. 6) is the smell of cedar and bespeaks a life so fragrant that it spreads around it the "sweet savor of Christ" (II Cor. 2:15). The evergreen fir tree (v. 8) speaks of constant freshness and beauty.

God has all these things in mind for every Christian, that is, for every sinner who will repent and turn to Him through Christ, and for every backslider who will return to Him today.

Walk in Love

Walk in love, as Christ also hath loved us.—Ephesians 5:2.

WILMOT

Union Free High School

The operetta, "Love Goes South," drew a crowded home at the Wilmot gymnasium with all the students taking part giving creditable performances. Betty Vincent, Lawrence Falt, Kenneth Jeffris and Virginia Neumann deserve special mention for their interpretations. The production was under the supervision of Russell Ende of the Music department and Bessie Barnes of the dances and specialty numbers.

The high school band made a trip to Custer High school at Milwaukee, where they appeared in concert on Friday afternoon. They remained for the annual Custer band concert held that evening. This trip was under the supervision of Russell Ende, music director.

There will be an organization meeting of the Blue Ribbon 4-H club at Wilmot gymnasium on Wednesday evening, April 10.

Thomas Patrick, the infant son of Mr. and Mrs. Joseph Fox of the Town of Salem, was baptized at the Holy Name church on Sunday afternoon by the Rev. John Finan. Sponsors were Catherine Fox and William Fox.

Clarence Vincent, a former Wilmot resident and now residing at Mound Prairie, and Miss Frances Toynton, of Genoa City, were married at the Lake Geneva M. E. parsonage Saturday morning. After a short trip Mr. and Mrs. Vincent will be at home on his farm at Mound Prairie.

Mr. and Mrs. Paul Ganzlin entertained at three tables of 500 Saturday evening, honoring the birthday anniversary of Mrs. William Boersma of Trevor.

The annual business meeting and election of officers for the Wilmot cemetery will be held Monday night, April 15, at the home of Mr. and Mrs. Frank Burroughs.

Jake Rausch, Detroit, arrived on Saturday for a week-end visit with his father, John Rausch. Returning with him Sunday were his wife and daughter and Mrs. Andrew Schuster and sons, who spent the past week at the Rausch home.

Dance numbers under the direction of Bessie Barnes and a talk by Howard Gately on Life Saving and Safety featured the P. T. A. program Monday night at the High school.

Mrs. Walter Bernhoft was severely injured Friday when the door of a car driven by her husband flew open and

she fell to the ground causing her to be unconscious for a number of hours. Mrs. Bernhoft is improving rapidly at the present time.

Mrs. Frank Burroughs entertained at dinner Saturday evening for Mrs. Fred Faulkner and Mrs. Walter Harrison of Ringwood. Mrs. Harrison has just returned from a trip to Florida where she visited her brother, Earle Darby, and his family at St. Petersburg.

Peace Lutheran church—Sunday school, 8:45; English Worship, 9:30. Immediately following the service the quarterly meeting of the congregation is to be held.

The Rev. R. P. Otto baptized the following children Sunday afternoon at the Lutheran parsonage: Susan Yvonne Rausch, daughter of Mr. and Mrs. Jake Rausch; Ronald Lewis Schuster and Dale Andrew Schuster, sons of Mr. and Mrs. Andrew Schuster of Detroit, Mich.

Mr. and Mrs. Joe Balza, Mr. and Mrs. Oliver Balza and family, Kenosha, Mr. and Mrs. Frank McConnell, Jr., and son of Elgin were Sunday dinner guests of Mr. and Mrs. William Harm. In the afternoon the Harms entertained the remainder of their family and Mrs. Kate Harm of Spring Grove in honor of Melvin Harm's twenty-first birthday anniversary.

Edward Stone and Leslie Stone, Woodstock spent Sunday with George Hyde.

William Wertz has received word of the sudden death on Saturday of his uncle, Gust Christ of Washington, D. C. Mr. Christ is known to many in the community as he was a frequent visitor at the home of his nephew.

SOCIETY

Grade P.T.A. is Again Headed by Mrs. Jos. Patrovsky

Mrs. Joseph Patrovsky was re-elected president of the Antioch Grade School Parent Teacher association at a meeting held in the schoolhouse Monday evening.

The other officers are Mrs. Arthur Trieger, vice-president; Miss Marion Johnson, secretary; Mrs. John Gaa, treasurer, and Mrs. Lester Nelson, historian. They succeeded Mrs. A. P. Bratrude, vice-president; Mrs. Irving Elms, treasurer; Rutha Smith, secretary; Mrs. L. J. Zimmermann, historian.

Mrs. Raymond Miller, Chicago, state chairman of juvenile protection work carried on by the Illinois Congress of Parents and Teachers, gave a talk on her work. Mrs. Miller is to be one of the principal speakers at the Illinois P. T. A. convention in Rock Island. Mrs. Patrovsky will be the Antioch delegate and Mrs. Trieger was elected as alternate.

Selections by the first and second grade rhythm band opened the program. Refreshments were served at its close by a committee including Mmes. M. M. Stillson, chairman, Louis Bauer, Harry Greenlee, Lucy Himens and Marion Rigby.

The "room count" parents' attendance prize for the month was won by the second grade.

The association is planning a card party to be held Monday evening, April 22.

The newly-elected officers will be installed at the P. T. A.'s next business meeting, Monday evening, April 13.

MOTHERS' CLUB ELECTS OFFICERS; PLANS BANQUET

Officers of the Antioch Mothers' club who were elected at a meeting Tuesday evening in the home of Mrs. Alonzo Runyard are headed by Mrs. Lucy Himens as president.

Mrs. Harold Ellis is vice-president and Mrs. Alonzo Runyard secretary-treasurer.

Twenty-three were present to hear an instructive talk on "The Common Cold" given by Dr. V. A. Lennarsen of Waukegan.

Plans were formulated for the Mother-Daughter banquet to be held by the club on May 14, in St. Peter's church. The principal speaker will be Miss Alice Smith of the Antioch Township High school teaching staff. Miss Smith, who is retiring from the teaching profession this year, was a speaker at the first Mother and Daughter banquet the club has sponsored.

WOMAN'S CLUB TO MAKE TRIP MONDAY

Members of the Antioch Woman's Club are looking forward to the trip to be made Monday to Chicago where they will visit the Adler Planetarium, Shedd Aquarium and possibly the Field Museum. The trip takes the place of the regular April meeting of the club.

Leaving Antioch at 10:30 a. m. the group will arrive in the city in time for luncheon at the Swedish club where reservations have been made. Those intending to make the trip will meet at Marie Anne's dress shop by 10:30, and reservations should be made with Mrs. Hunt at once.

Several Hundred Felicitate LaPlants on Golden Wedding

Several hundred friends and acquaintances availed themselves of the "open house" held by Mr. and Mrs. Sol LaPlant Sunday to congratulate the couple on their golden wedding anniversary.

At noon, Mr. and Mrs. LaPlant entertained 40 members of the family, relatives and intimate friends at a buffet luncheon. Those present included their daughters, Mrs. Linda Dalgard, Mrs. Bertha Drury and Mrs. Letha Schumacher of Antioch and Miss Mildred LaPlant of Chicago; a son, Homer, of Antioch, and 12 grandchildren.

The couple, who are well known throughout this region, were married here April 9, 1890. The Rev. Norman Millard of Millburn officiated at the service at which the then Miss Alma Savage became Mrs. Sol LaPlant.

A three-tiered wedding cake, and an arch bearing the dates 1890 and 1940, with bride and bridegroom dolls beneath it, were features of the anniversary decorations in the home.

Mr. LaPlant was a brickmason and contractor in this region for more than 60 years. He has been active in the Antioch Masonic lodge, having held at some time or other almost every office in the organization. In his early days, he was well known as an orchestra and band leader, in addition to his other activities. He has served on both the Antioch Village board and the grade school board.

He is 84 years of age and Mrs. LaPlant is 72.

Legion Auxiliary Sponsors Benefit For Junior Legion

"Mutiny on the Bounty," one of the greatest sea pictures of all time, featuring Clark Gable, will be shown at the Antioch Theatre on April 30 under the sponsorship of the Antioch American Legion Auxiliary for the local Junior Legion. The proceeds will be used to buy capes for members of the Drum and Bugle corps. Tickets at 25c may be purchased from members of the Auxiliary.

Mrs. Louise Smith of Waukegan, instructor for the Eastern Star, was in charge of practice work held by officers of the Antioch chapter Wednesday evening at the Masonic temple. Mrs. Rosabelle Anderson of Highland Park, worthy matron of the Antioch chapter, was present.

Mr. and Mrs. Holt Pilkington, Cicero, have purchased a home on Lake Catherine. The cottage, purchased of Frank Kennedy, Waukegan, is in the Warriner subdivision. S. B. Nelson acted as real estate broker for the transaction. Mrs. Pilkington was formerly Mildred Burns, for several years a teacher in the Antioch Grade school.

Mrs. Inez Ames returned Monday from spending the winter at Mt. Dora, Florida.

The third candidate is asking your vote and support at the election on April 13th, 1940, for Member of the Board of Education of the Antioch Township High School.

Helen Naber Osmond.

W. I. Scott left today for Rochester, Minn., to bring back Mrs. Arthur Maplethorpe, who recently underwent a major operation at the Mayo clinic, and Mrs. Scott, who has been visiting her since Saturday. Scott spent last week-end at Rochester.

The Rev. and Mrs. W. C. Henslee and niece, Miss Lois Reeves, left Sunday on a two weeks' trip to Kansas City, Wichita and Almena, Kansas. They plan to visit Mrs. Henslee's mother, Mrs. I. H. Reeves, in Almena. In Kansas City they will call on Rev. Henslee's sisters, Mrs. J. D. Parrish and Mrs. C. O. Waggoner. They also plan to visit Mrs. Henslee's brother, George E. Blackwood, at the Masonic home in Wichita.

Mrs. Kate McBride had as guests last week her sister, Mrs. L. D. Dunn, and the latter's daughter, Mrs. Everett Creek and children, Norris and Betty.

Civic Club to Attend Iron Lung Demonstration

In place of their regular meeting next Monday evening, members of the Men's Civic club plan to attend a demonstration of one of the iron lungs purchased recently by popular subscription in Lake county.

The members will enjoy a 7 o'clock dinner in the high school cafeteria, and at 8 o'clock will attend the demonstration in the gymnasium.

Mr. and Mrs. Ralph Jepson and sons, James and Robert, Jr., spent the week-end at their summer home on Lake Marie.

Mill Fire.....

(continued from page 1)

Lake, one each from Ingleside and Lake Villa, and the searchlight truck of the Libertyville department's first aid squad gave valuable aid to Chief James Stearns' men in battling the flames.

Fred Liebert, a member of Engine Company 107 at Ashland avenue and Thirteenth street, Chicago, and who owns a cottage at Lake Catherine, also aided the Antioch men. Liebert praised the manner in which the fire was brought under control and prevented from spreading to nearby buildings.

Lake county deputy sheriffs under the leadership of Chief Deputy Walter Atkinson, and a squad of Kenosha county deputy sheriffs aided in controlling traffic and preserving order, and an ambulance owned by W. W. Smith of Fox Lake was sent here to assist in the event of injury to any of the firemen. Fire companies of Round Lake, Libertyville and Mundelein "stood by" at their stations to respond to calls in case they were needed.

Operators of the telephone company also co-operated, in putting through calls and giving all possible assistance.

No serious burns or injuries were suffered by any of the fire fighters, although Herman Holbek, Antioch pipeman and member of the rescue squad, had a narrow escape when he suffered from an electric short circuit that traveled up a metal pipe from the lower part of the building. Holbek, who with members of the Fox Lake and Antioch companies was pouring water from the top stories of the tower into the furnace-like regions below, was standing on one of the remaining sound beams around which the flooring had already given way. The electric power to the building and the motors of the feed grinding equipment had not as yet been shut off. The electrical shock threw Holbek off balance, but as he started to fall he was seized and dragged to safety by two of the Fox Lake men.

After battling the fire for two hours, the firemen finally brought it under control and it was believed extinguished. The assisting departments returned to their stations.

Have Second Alarm

At 2 a. m., however, a second outbreak of the fire and an explosion in the lower part of the building where the grain bins were, resulted in a second alarm. The explosion, laid to grain dust and gases, scattered fire about the building and set it to burning fiercely once more. The Fox Lake and Lake Villa departments responded again and remained until the fire was brought completely under control at 8 a. m.

Gas, Smoke Hindrances

The value of the mill building had been set, for insurance purposes, at about \$10,000, although it was really worth more than that, Chief Stearns states.

Insurance of about \$6,000 was carried on the building, \$2,500 on office fixtures and \$12,000 on the contents of the building, according to figures supplied by the fire department.

Spontaneous combustion due to gases formed by the wet grain and wet ground alfalfa was blamed by Stearns for the explosion and second outbreak of fire, which, he said, caused a large part of the damage. Spontaneous combustion and the formation of gases were also believed by Stearns to be strong contributory causes to the first outbreak of the fire, in which huge billows of smoke impeded the work of the firemen.

Girls Turn in Alarm

The alarm was turned in by Irene Chinn and Dorothy Miller, who were caring for children at the Clete Vos home Friday evening while the parents were at the firemen's benefit program.

Miss Linda Bushman, residing on Depot street near the mill, noticed that from the window of her home about 10:30 o'clock she could see a haze of smoke or fog close to the mill, and also noticed a smoky odor. She telephoned the Vos home to ask if Clete, a fireman, would investigate. The girls, who answered, volunteered to go to the mill and make sure, and then ran to the fire station a short distance away to turn in the alarm.

Although the interior was choked with heavy smoke and gas and the fire had gained a strong hold, scarcely any trace of this was noticeable from the outside when the firemen arrived, Stearns reported. Hastily attacking it from the rear of the building, the Antioch firemen and assisting companies apparently had it completely extinguished by about 2 a. m. Richard Allner, one of the firemen, was left on guard. The Antioch equipment had scarcely been returned to the station for 30 minutes, when the alarm was again turned in. The Antioch Lumber company yard and buildings and other valuable properties were menaced by flying sparks.

Fire at Channel Lake

Saturday morning at 10:15 o'clock, the Antioch firemen were called to Channel lake, where a cottage was already well ablaze, and two others near it were menaced.

The cottage, owned by De Forest Mattson of Chicago, was vacant, and all but the outer shell had been consumed, as the fire was not noticed by neighbors until it broke through to the outside.

An adjoining cottage owned by Herman Seckamp was in especial danger, since it was only 20 feet away and the eaves of the two buildings almost touched. It was saved, with

damages of only \$300 to the building, and another cottage, owned by a Mrs. Klein, was only slightly scorched by the flames. On this call, onlookers who timed the trip were amazed to note that the Antioch fire department's 1,000 gallon truck made the trip to Antioch for additional water, refilled, and returned within the time of less than nine minutes.

The cause of the fire could not be determined. Mattson, who is said to have visited the cottage only the day before, could not be reached for an appraisal of its value, but it was tentatively set by Stearns at \$5,000, of which \$4,500 was covered by insurance.

The Antioch tank truck was called to aid Fox Lake and Lake Villa firemen in fighting a fire that broke out in the kitchen of the John Tyrrell farm on Route 59 near Fox Lake Wednesday morning at 6 o'clock. Loss including 300 chickens in a brooder room, amounted to about \$1,500.

Card of Thanks

We wish to thank our neighbors and friends and the Antioch Firemen for their acts of kindness and sympathy extended to us during our recent bereavement.

Examine 24 Children at "Summer Roundup"

Five children of the 24 examined were pronounced "perfect" at the annual "Summer Roundup" sponsored by the Parent Teacher association at the Antioch Grade school Wednesday. Pre-school children and a few first and second grade pupils who had not previously been examined were among those included in the survey.

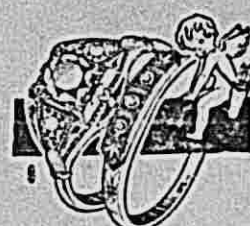

Smallpox vaccinations were recommended for 17 children who have not yet received them; the removal of infected tonsils was advised in 10 cases, and the removal of adenoid growths in 9; two children were recommended for diphtheria inoculations; five for eyesight examinations, and one case of imperfect hearing was noted.

Dr. W. R. Williams, M. D., Dr. E. J. Lutterman, dentist, and the Lake

county nurse were in charge of the examinations. Children were accompanied by parents, and arrangements were made through the P. T. A.'s health committee, consisting of Mrs. Elmer Hunter, chairman, Mrs. John Gaa and Mrs. Joseph Patrovsky, P. T. A. president.

Ted Larson, who is a student at Illinois college, Jacksonville, spent the week-end at Greencastle, Ind., where a team from the International Conference club, of which he is president, debated against a team from De Pauw university.

Mr. and Mrs. Allan Treichel, Milwaukee, were dinner guests of Mrs. Charles N. Lux Sunday. Mrs. Treichel before her marriage was Miss Alma Trojan, and was at one time a teacher in the Antioch Grade school.

HEY, HIRAM!

Hoss Tradin' Time is Here

Bring in your old nag and let's do some swap-pin'. This here sale's a goin' on till the "govment" stops us from tradin' so cheap. Fix your fences—some of these will go right thru a safety lane a rip-pin' and a snortin'.

A yearling filly, '39 Ford Tudor, sired by Henry F., a registered thoroughbred, guaranteed to hitch and wind. Shod with heavy shoes and equipped with stove, feed-box and goggle-waist.

A pair of sedans, "Buicks," both born in '38. One a black and one a blue roan. Full sisters out of the best shop in Flint. No spavins, curb or wire cuts. Sell 'em sound—feed-box on tail gate! Give heat and music with the swap.

A real high-class pacer, slicker than PAW's buggy when he was a courtin' MAW. '37 convertible coupe, folding top. Special seat for the tag-alongs. Heat and music.

A two-year-old stallion sired by Chrysler. Sold as a colt to a famous Kentucky colonel. Swapped this past month to us by the Colonel for a Buick colt. Answers to the name of "Dodge." Heat, music, and extra good shoes thrown in on the deal.

Two good, big draft horses, tougher than a mule. Answer to the names of Cadillac and Lincoln. Nine years old, but sound as a dollar. Buy one of these mares, if she don't suit, trade her to your mother-in-law. Make a GOOD "Family Surrey."

Five gaited, broke to saddle, any woman or kid can handle 'er. Gentle as a lamb—'38 Chevrolet coupe with talking machine, heat, and extra saddle.

If the stock in the stall don't suit you, come out to the corral. This selection of colts, yearlings, etc., must be sold now—easy terms on unpaid balance.
